

# MILOR

### Increased protection thanks to removable soft clip

The MILOR's soft, all-round soft clip provides excellent coverage of the eye area and therefore greater safety in any work situation. The face is also protected from injuries in the event of frontal impacts.

[1]

[2]

### Non-slip fit thanks to Easy Fit Soft push-in stirrups

The temple of the MILOR with its additional soft rubber coating ensures a good grip and comfortable fit, especially when sweating heavily.
