

DEFENDOR RX

Compact and lightweight full vision protection

The DEFENDOR RX full-vision safety spectacles are particularly compact and lightweight. The tight fit and unrestricted field of vision make these goggles particularly suitable for protection when working in dusty environments and when handling liquids.

[2]

Direct glazing of the frame

The DEFENDOR RX is always glazed and supplied directly with customised lenses. It is not a clip combination.

The perfect protection with customised vision

With its tight fit, the DEFENDOR RX effectively protects against dust and dirt, while customised lenses ensure clear vision. Ideal for demanding work environments.
